The Community Players' President's Message

As the newly elected president of Community Players of Salisbury I am pleased to welcome you to *The Wizard of Oz*. The cast has worked very hard to bring you a great show. Director Ken Johnson and his team have spent many hours making this the best show ever. We have a few firsts in this show. This is the first time Players has intentionally flown someone on stage. This is one of the largest casts we have ever had on stage (over 100 cast members).

As our 75th year comes to a close we are looking forward to a new season of exciting shows for our 2013-14 season. We will be doing *Les Misérables* in November, *They're Playing our Song* in January, *The Foreigner* in April, and *Brighton Beach Memoirs* in June. Ticket information is available in this program. Please consider giving additional support to Community Players by becoming a Patron. You can check our website for more information.

Again, I want to thank you for your support of Community Players and now enjoy the show.

Director's Message

Greetings and welcome to our little version of *The Wizard of Oz*. Growing up, it was one of my favorite movies and of course you could only see it when the TV stations decided to play it. (pre DVD days) Back in 1985, I was blessed to be cast as the Scarecrow for Community Players. It was my first big role and I was very excited to be a part of the production. Of course, I was just a college kid and didn't have much experience in the theater having only played supporting roles. The production was great and everyone loved it. Of course, I had my own ideas of how things should have been done, and how I would have done them differently. Little did I know that, twenty eight years later I would be the one sitting in the Director's seat.

Directing such a well known and loved classic is tough. You want to be true to the original but yet you also want to give it your own special touch as well. What we have here tonight is our own special version of Oz. All of the characters are here plus quite a few others you have yet to meet. This is, by far, the largest cast I have ever been involved with – over 50 Munchkins as well as 40 Ozians AND all of the Main Characters. Each one has done a fantastic job of bringing their characters to life.

I am very proud of each of them and can't wait for you to see this talented group of actors in action.

It has taken quite a few special people to bring this classic to life for you tonight. And there is no way I could thank them all properly. Their thanks comes in the form of your laughter and applause during the show tonight.

So sit back. Relax. And enjoy *The Wizard of Oz*.

"You're out of the woods.

You're out of the dark.

You're out of the night.

Step into the sun. Step into the light.

Keep straight ahead for the most glorious place

On the face of the earth or the sky."

Bumps in the Yellow Brick Road

Our original Aunt Em, Kim Malone, was in a vehicle accident four weeks ago. She spent two weeks in Intensive Care at PRMC and is now recovering at home.

A week ago one of our reed players in the orchestra, Frank Mahoney, suffered a heart attack a few hours after rehearsing with our cast. He is recovering at Beebe Medical Center. His wife, Jane, was our percussionist and she will not be playing in order to stay close to Frank.

Please keep them in your thoughts and prayers.

Thanks to everyone who quickly filled in for these fine people (Angela Rathkamp, Joel Smith and Charles Smith).
